## ABOUT

Nelson Teamwear are now suppliers of the renowned performance vest brand Zena Sport. The vests are made for women who play contact sports to safely absorb impact. The vest's features include:

- Absorb breast impact from elbows, chest marking and ground impact
- Added rib protection for overhead marking and tackle pressure
- Prevent injury from scratching and groping
- Not visible under jumper
- Easy to get on and off with a protected front zip
- Suitable for juniors through to seniors
- Designed and developed in Australia
