1

CHOOSE GARMENT

Select from our range of cut and sew garments with help from one of our schoolwear sales consultants.

2

CHOOSE DESIGN FEATURES

Decide on the specific design features your garment will have, including details around the neckline, sleeves, cuffs, waist and pockets.

3

ORDER YOUR SIZING

Use the size charts provided by our sales consultants or borrow a free, loanable sizing kit so students can try on for themselves.

4

DECIDE ON ARTWORK

Get inspiration or choose a design from our selection of prints on pages 6-11. Alternatively, if you already have a specific design in mind, chat to one of our schoolwear sales consultants.

5

FINALISE DESIGN

Receive a final digital mock-up of your garment with your chosen design and specifications before it commences production.

6

COMPLETION & DISPATCH

You will be notified as soon as your garments are completed and your schoolwear consultant will organise dispatch to your school.

GARMENT OPTIONS

The first step in starting your order is to narrow down the kind of garment you would like. We can offer a range of options from polos, jackets (full zip, quarter zip and varsity), hoodies, rugbys and crew neck jumpers.
